Master Artists Cartoons

with

“Master Artist Cartoons” introduces students to inspiring artists and their styles. They’ll explore character invention, illustration, portrait art, shading, patterning, and more as they create their own unique interpretations of famous artwork. Akbrakadoodle is an award-winning company at the forefront of process-based art (learning by experimentation rather than by copying). Our Drawsters program is geared to elementary students and fosters their visualization, verbal and visual communication, social/emotional development, and fine motor skills. Students improve their drawing ability as they learn about new artists and techniques and then apply that learning to their self-directed artwork. Master Artists Cartoons will meet on Wednesdays, 1/18, 1/25, 2/1, 2/8, 2/15, and 2/22 from 3:35pm to 4:35 PM and will be held in the Bedminster School Art Room #241 immediately following the school day. **Please note this is an afterschool program for Bedminster School students only!**

Registration Ends Friday, January 6th
