

Join us for an afternoon fundraiser for the whole family with fun, food, and art-making!

Seven three-person teams made up of The Center's teaching artists, students/artists, individual artists, Board members, community partners, and staff have accepted the challenge to create an original work of art in just one hour! **The catch?** They must also incorporate items inside a "mystery box" into the artwork!

Art Throwdown Teams

heARTful Spaghetti

Shourabh Mukherji – Team Leader
Lisa Karbiner
