

Health Screenings will be conducted by the school nurses starting Monday, December 12th for students in Grades K - 4 and Monday, January 10th for students in Grades 5-8. Students who have provided a physical exam with screening results to the health office will not be screened by the nurses. Referrals will be sent to parents if results indicate a need for further evaluation. Students with eyeglasses are reminded to bring them to school. The following screenings are required by the state of New Jersey:

Height, Weight, Blood Pressure: All Students

Hearing: Grades K, 1, 2, 3, 7

Vision: Grades K, 1, 2, 4, 6, 8

Scoliosis: Grades 5, 7 (Biennially for ages 10-18)

Parents who wish to opt their child out of scoliosis screening should return a completed opt-out form to the school nurses by January 7, 2023. (This form will be emailed to parents of Grade 5 and Grade 7 students)
