

SOMERSET HILLS LACROSSE CLUB

SERVING THE COMMUNITIES OF BERNARDSVILLE,
BEDMINSTER, FAR HILLS, and PEAPACK-GLADSTONE

We will be offering the following levels:

Lil Laxers: Coed K-1 introductory program for younger players. Focus will be on fundamentals and fun! We had a great turnout this past Fall and hope to see you all again in the Spring 2021 season.

2nd grade: This will be an introduction to the more competitive play in grades 3-8. We will separate boys and girls teams focusing on fundamentals and advancing into game play. We will play both intra-squad games along with a limited schedule against local 2nd grade teams

Grades 3-8: separate boys and girls teams will play in the NJLL (boys) and JGLA (girls) respectively. These teams will generally play 12-14 regular season games along with several tournaments throughout the spring season
