RE: District Wellness Committee for the 2024 - 2025 School Year

Dear Sustainable Jersey for Schools:

The district Wellness Committee will continue to work together through the 2024-2025 school year. The mission of this team is to make an immediate impact on staff and student wellness as it relates to overall sustainability throughout the district.

The Wellness Committee is working to collaborate with students, Building and Grounds, faculty, the Business Office, parents and community members to incorporate policies and practices that make wellness part of our student and staff's educational experience. Staff is represented as both members and ad-hoc members with a specific purpose, along with student representatives who are peer advocates.

The Bedminster Township School District recognizes the Wellness Committee and its members and has empowered this committee to spearhead initiatives towards the goal of overall wellness throughout the district.. Since Bedminster is a one-school district, the Wellness Committee serves as both the district and school level representatives. The members for the 2024-2025 school year include:

- Karna Johnsen - Co - Chairperson
